

a

Spearman rank correlation coefficient
based on ClinVar data

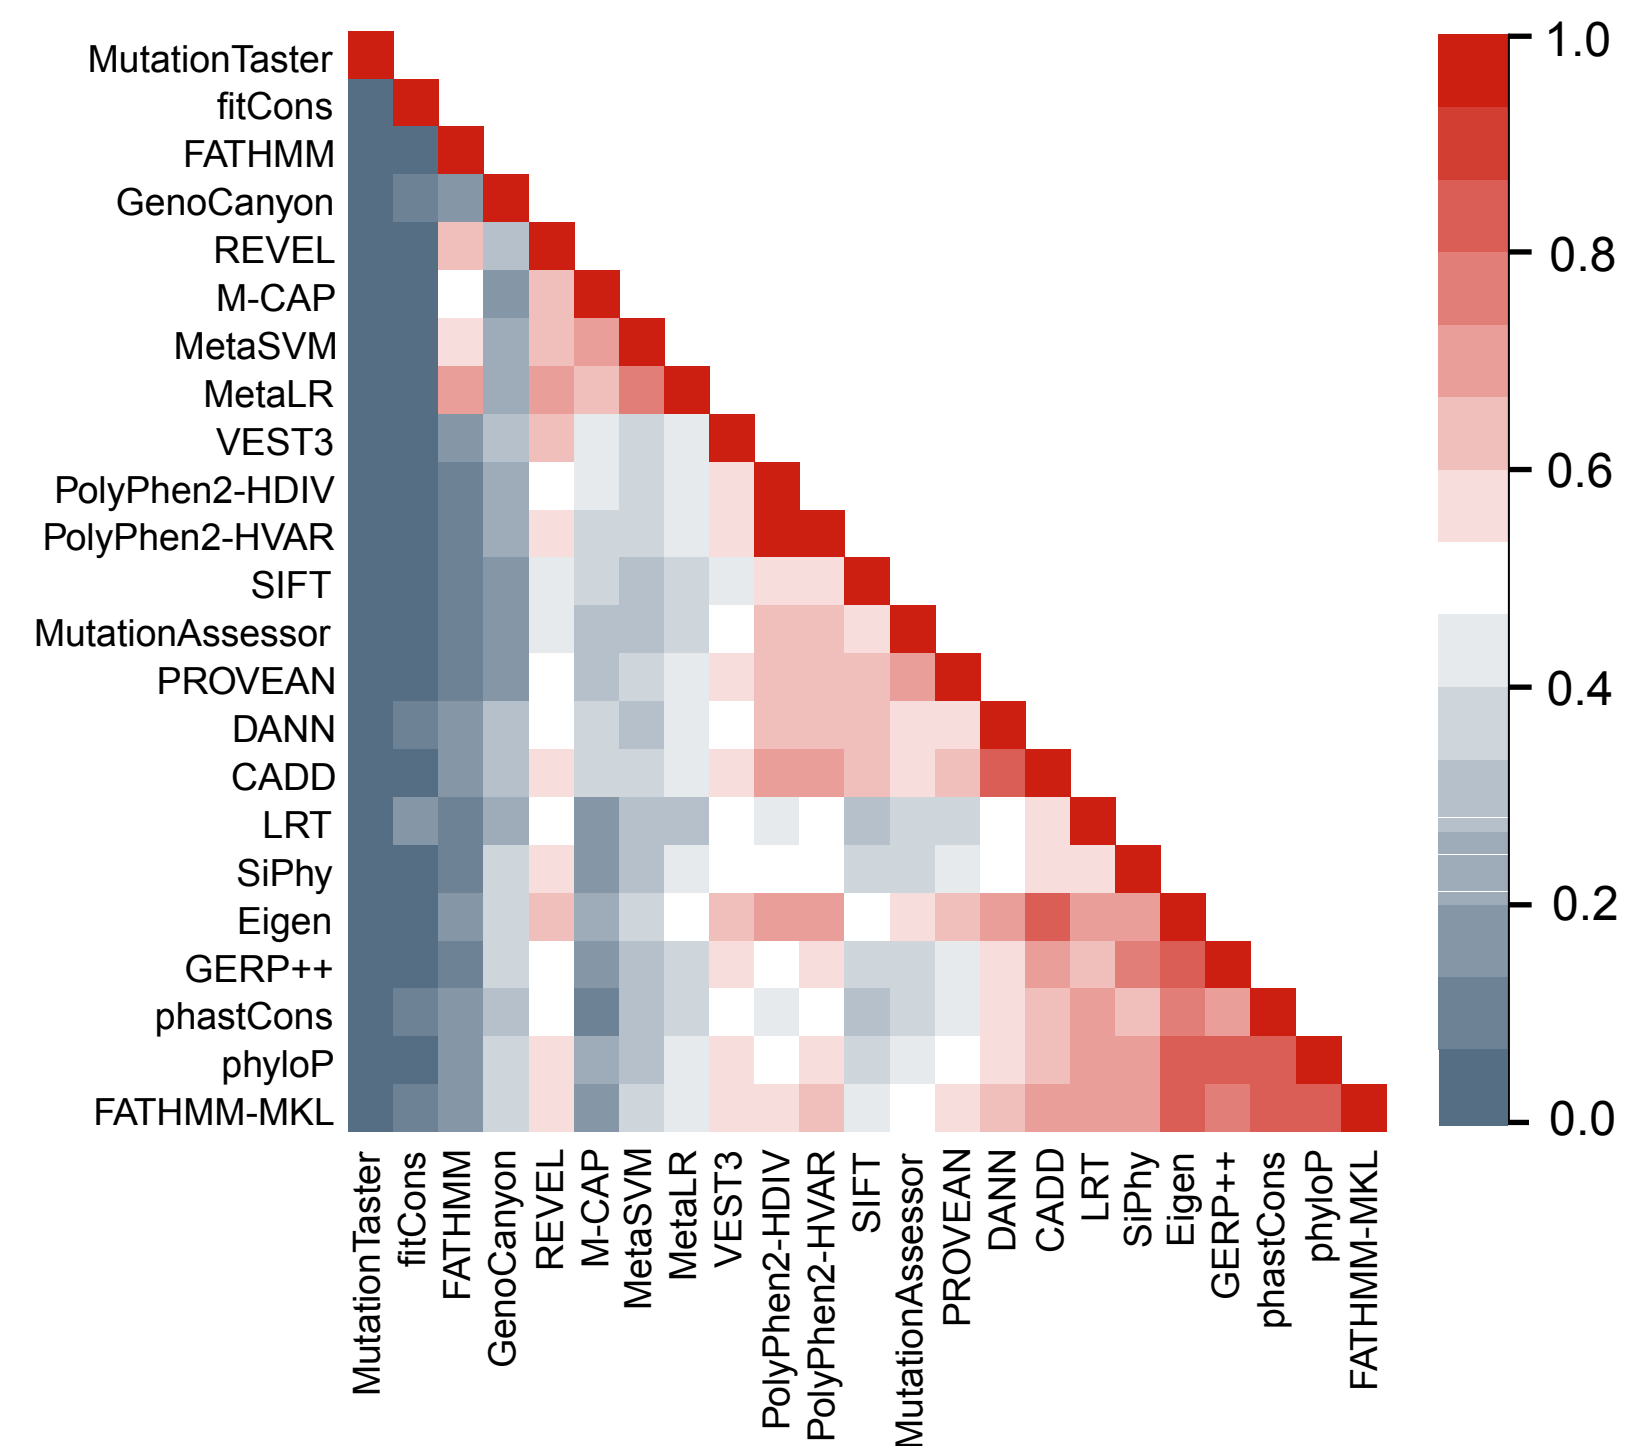

b

Spearman rank correlation coefficient
based on ClinVar deleterious data

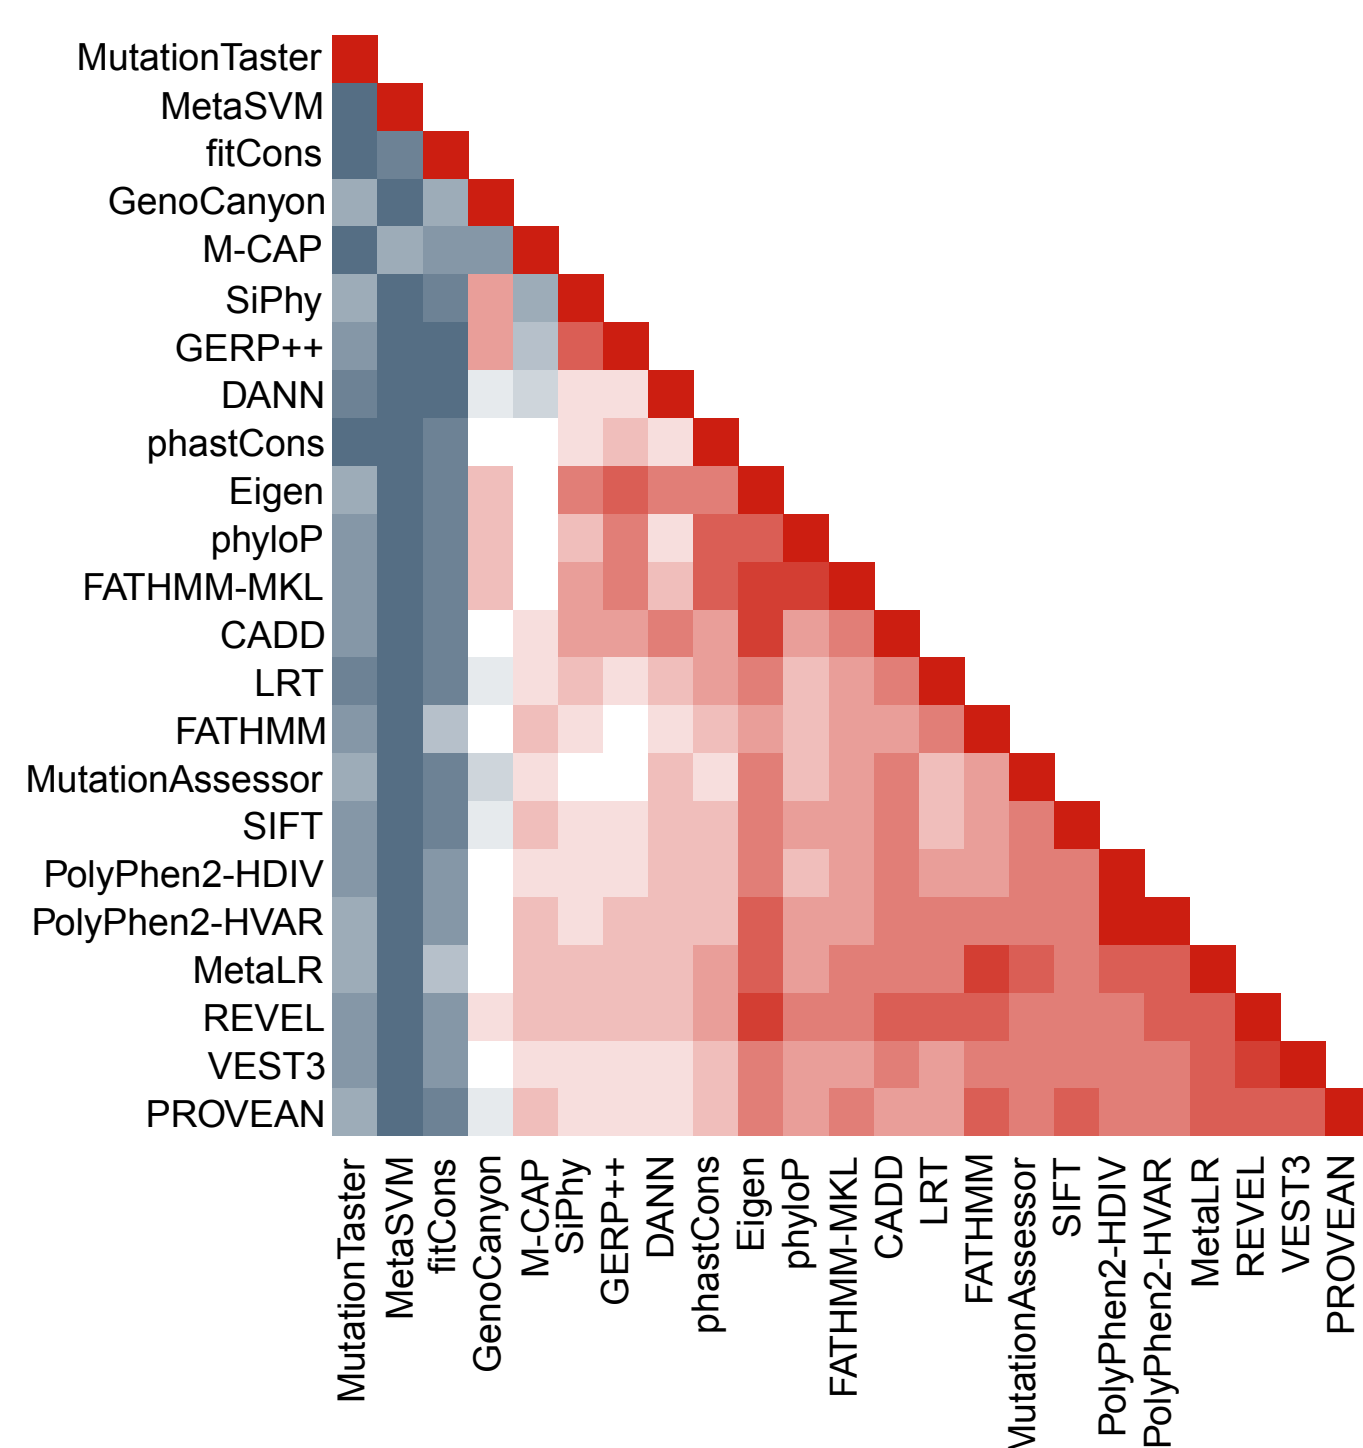

c

Spearman rank correlation coefficient
based on ClinVar benign data

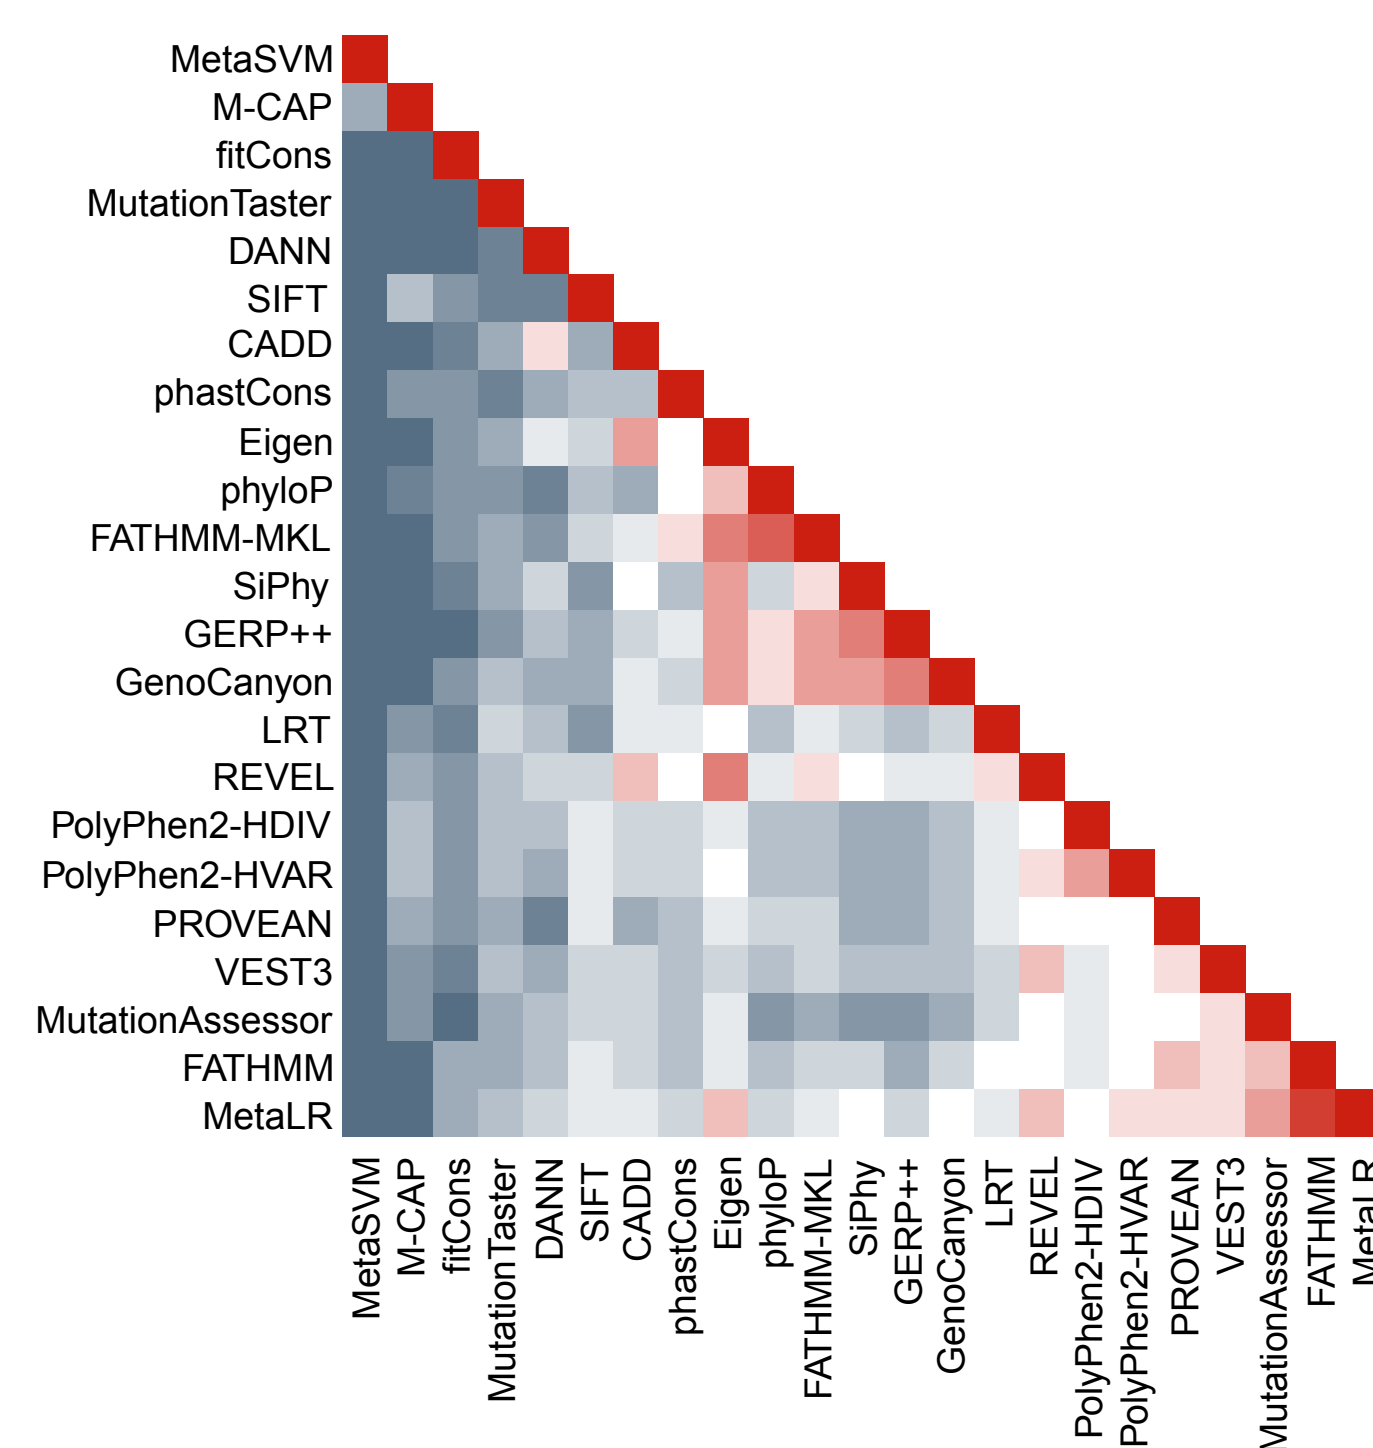

d

Spearman rank correlation coefficient
based on TP53 data

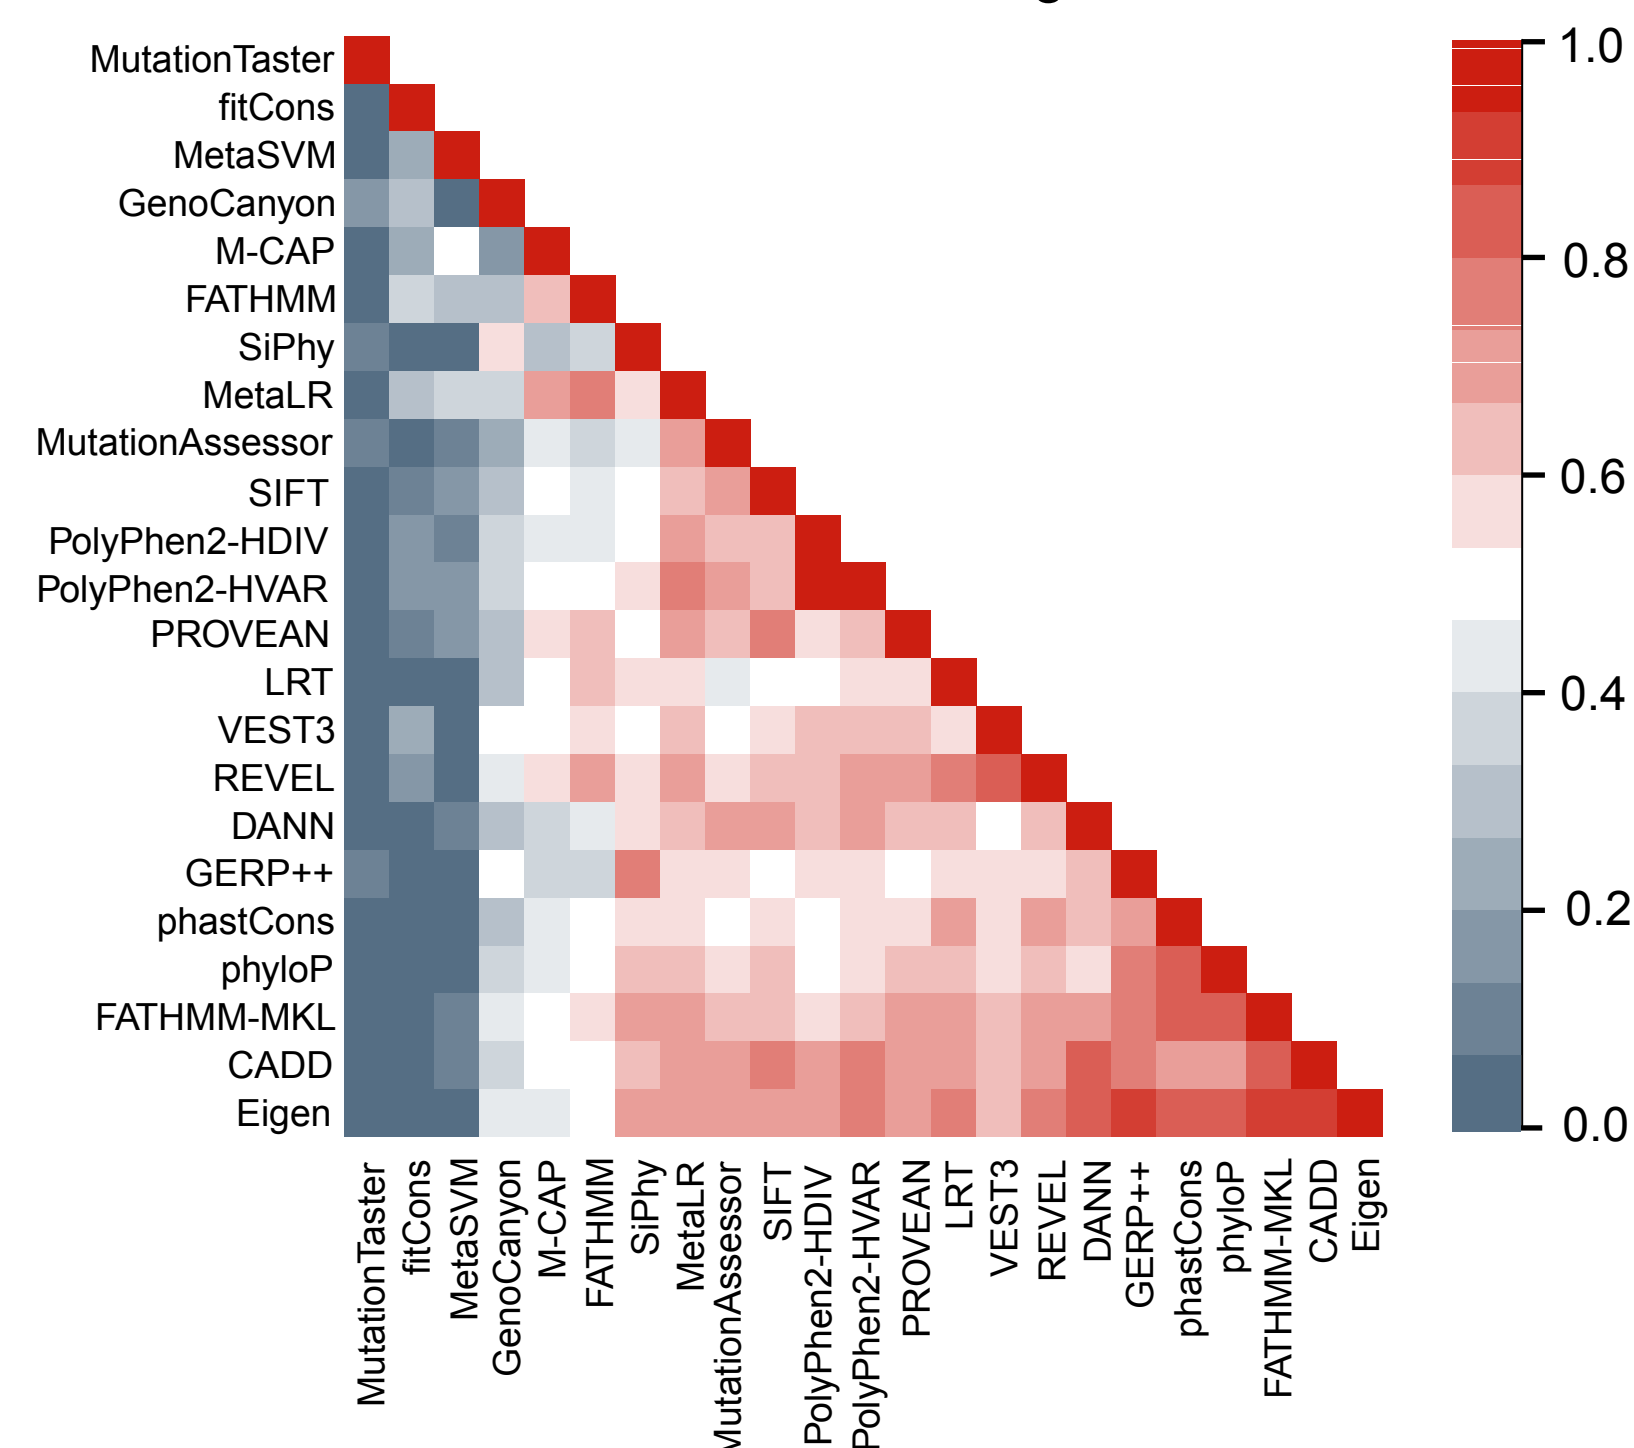

e

Spearman rank correlation coefficient
based on TP53 deleterious data

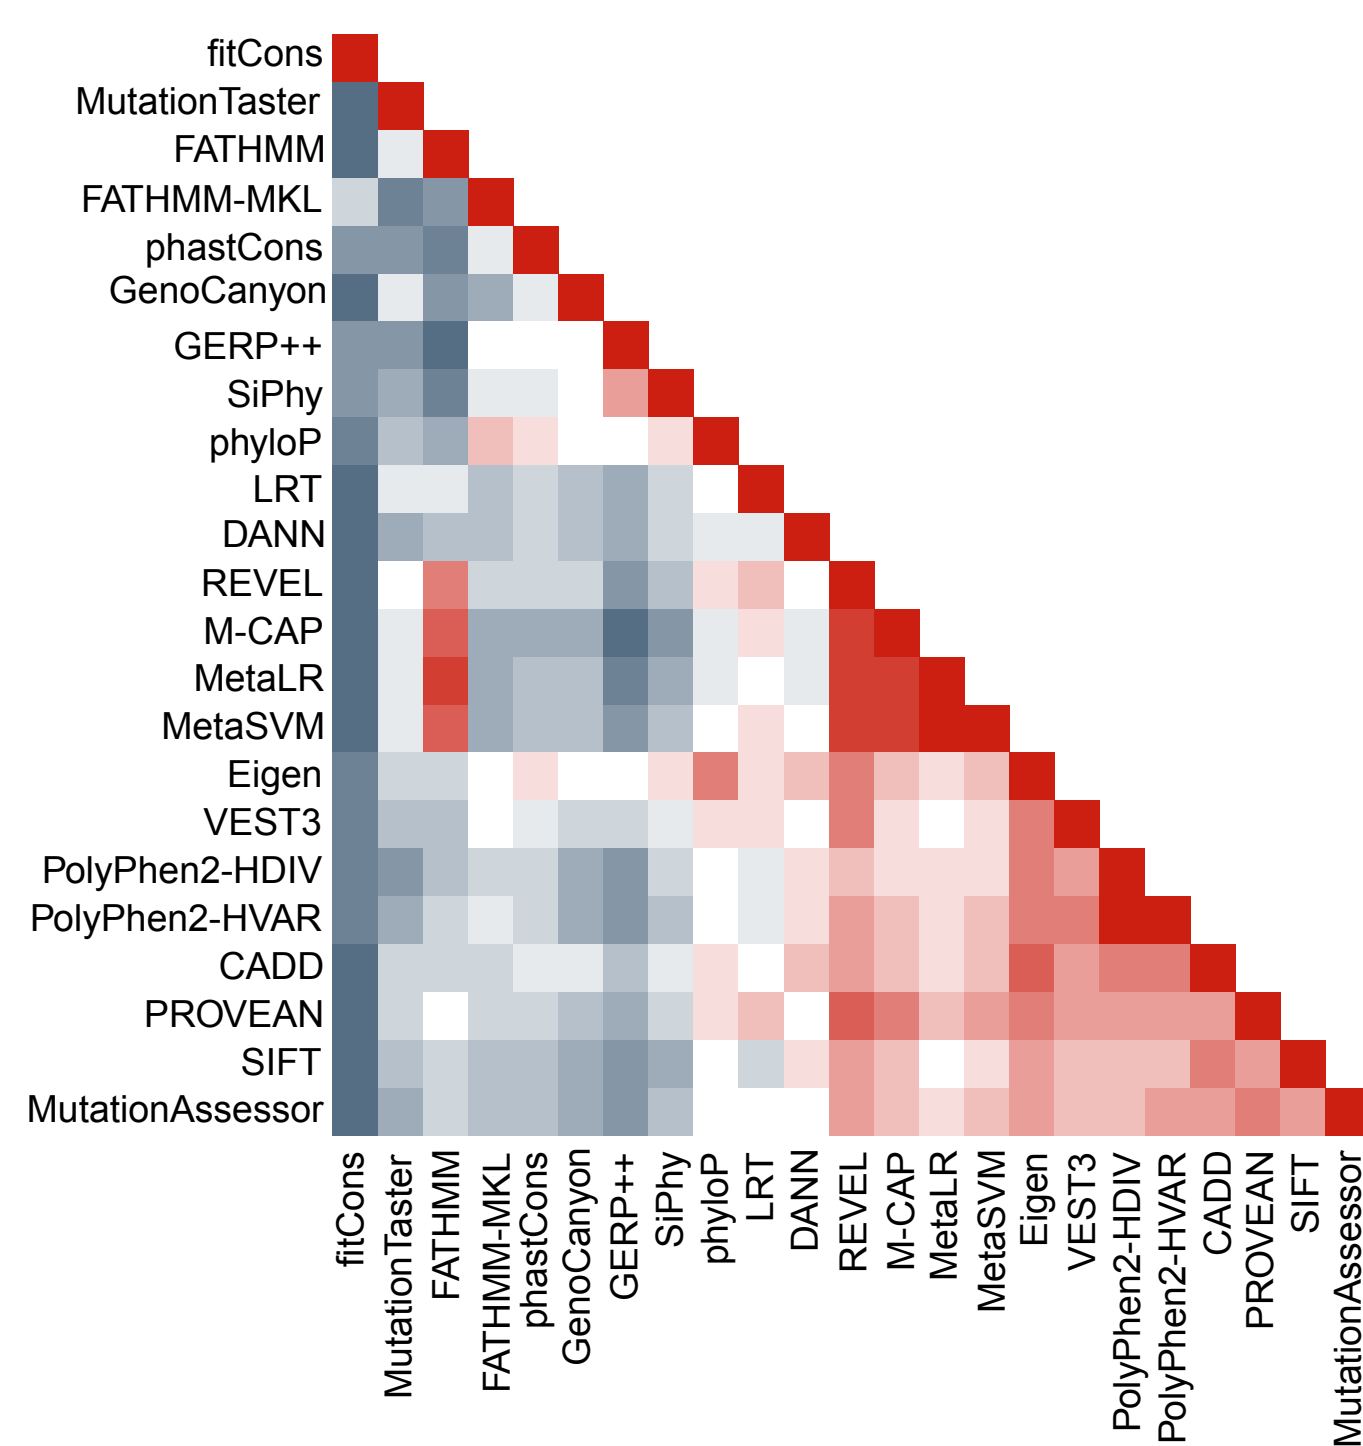

f

Spearman rank correlation coefficient
based on TP53 benign data

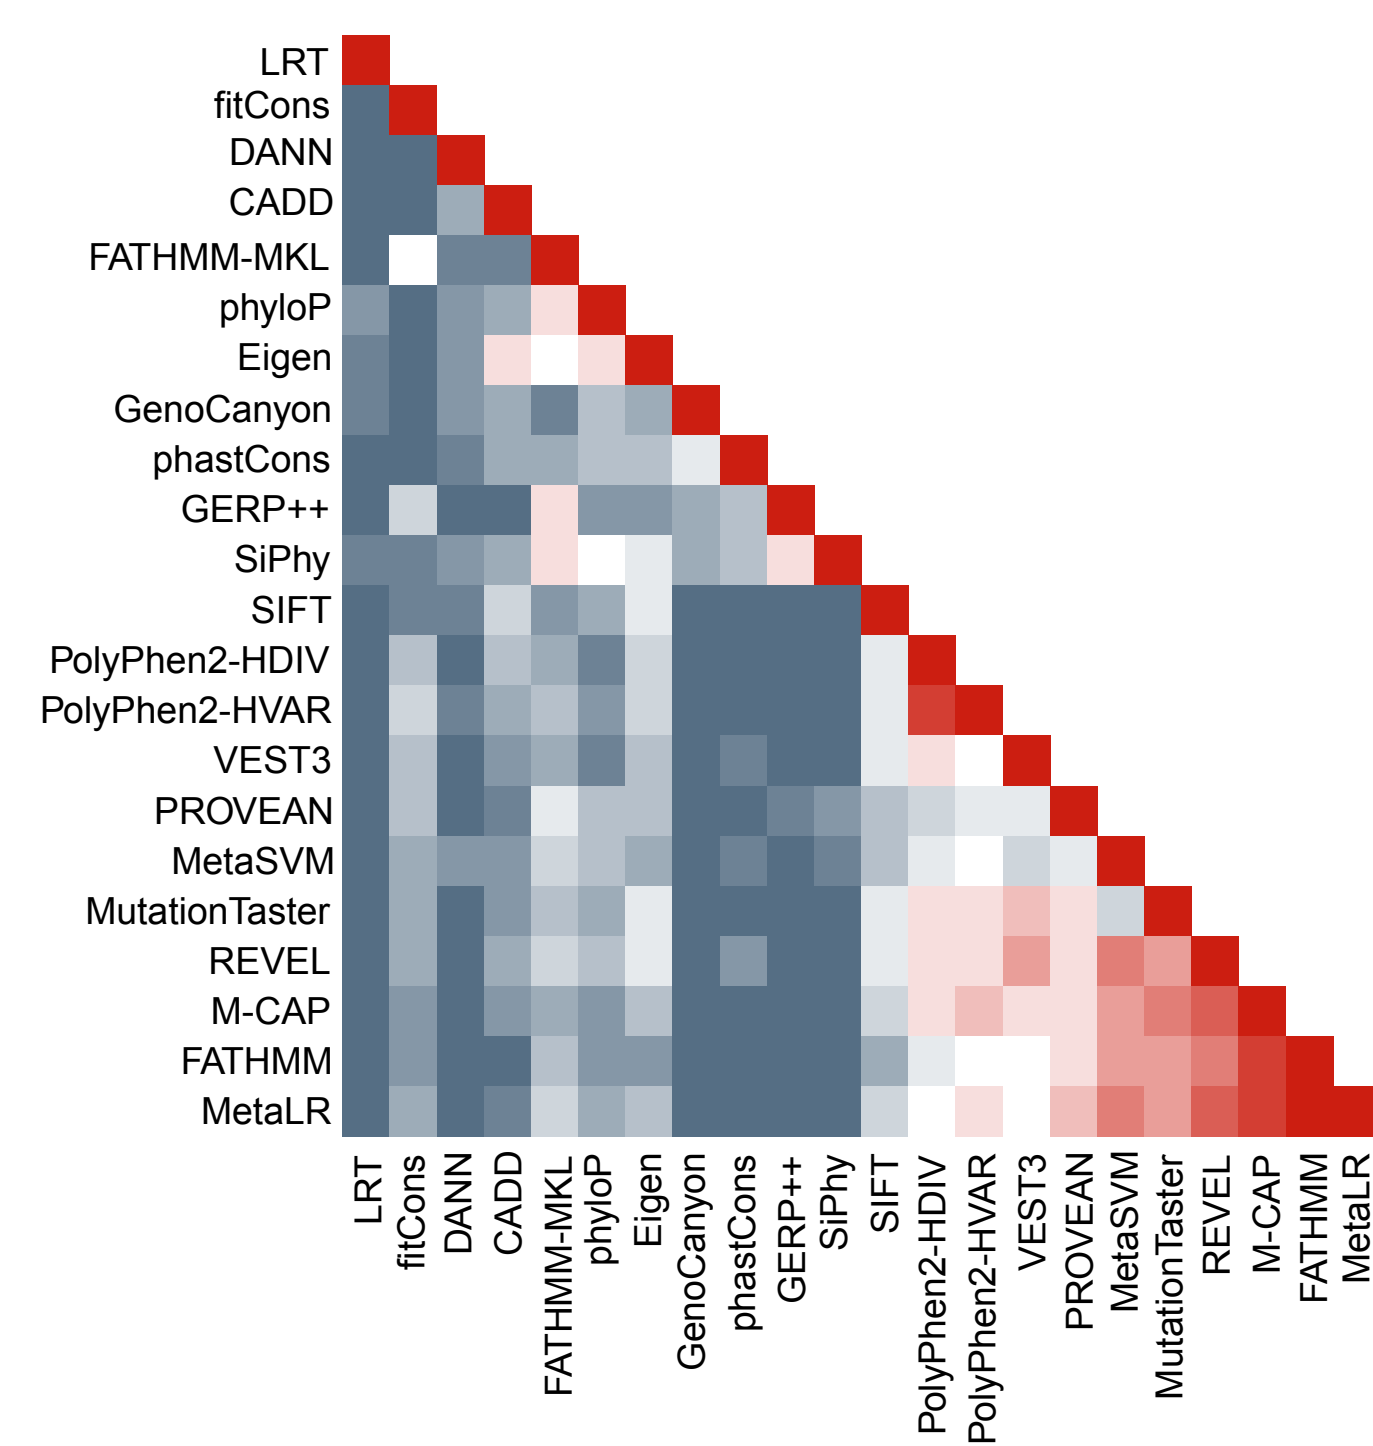

h

Spearman rank correlation coefficient
based on PPARG data

i

Spearman rank correlation coefficient
based on PPARG deleterious data

g

Spearman rank correlation coefficient
based on PPARG benign data
